

The safety zone

Our new, complete range of anti-static guns are now certified to IECEx standards, giving complete safety whatever the hazardous environment.

The new range of Stat-Guns from Static Solutions now provide a complete choice of anti-static solutions for all user types.

Our original Stat-Gun is now complemented by the Pro Stat-Gun and Smart Stat-Gun to give a choice of product to suit your DSEAR assessment. These cover Zone 0 through to Zone 2 hazardous areas, giving you the ideal range to choose from.

New models are certified to International Electrotechnical Commission Explosive (IECEx) standards, meaning global businesses are now covered across multiple countries.

THEY'RE ALL AVAILABLE WITH A FREE 7 DAY TRIAL, SO GET IN TOUCH FOR YOURS TODAY!
